The Power of a Pivot Mentoring Session
Very special opportunity for young women and girls of Southeast Wisconsin to engage in an intimate conversation with Circle of Women panelists who are women leaders who have excelled in their professions and personal lives. This private mentoring session is limited to 30 registered participants selected by YWCA Southeast Wisconsin and sponsors.

The Power of a Pivot Evening Event
This is Circle of Women’s main event with an evening reception for supporters of the YWCA Southeast Wisconsin mission to come together. We will host a robust panel discussion with Ashley Everett, Jasmine Harper, Sharon Hurley Hall, and more amazing panelists to explore ways we can remove barriers to equity, empower women and girls, and create actionable change for the future. Sponsors and participants may donate or purchase items at the Pivot Silent Auction at the evening event. All proceeds will support YWCA Southeast Wisconsin.
