

## **Stand Against Racism Agenda**

Our goal is to cover Milwaukee with various groups, organizations, and businesses that are willing to publicly stand against racism. The more groups engaged, the more conversations can occur about the impact of racism on healthcare, housing, transportation, education, criminal justice and more personally, in our neighborhoods and families.

Time: Your lunch hour (YWCA will kick it off at 12:15, look for tweets)

Where: Outside your office, near your organization's sign

What: Tweet or post to Facebook with @YWCASEW  
#StandAgainstRacism #YWCASEWSAR19

### **What to do during the stand:**

- Gather your colleagues.
  - Read the Pledge Against Racism together.
  - If you are willing to facilitate your group's discussion, invite participants to share why they stand against racism.
  - A sign will be available on our website for download: [www.ywcasew.org](http://www.ywcasew.org)
- Take a picture with your group holding the sign outside and under your office's logo. You are free to make as many copies as you choose.

We know that this public stand will not end racism. However, a public display of solidarity will help raise awareness of/to people that are ready to begin the work toward dismantling racism.

**Let Jamaal Smith know if you'll be joining in the public stand.**

Questions should be directed to Jamaal Smith at [jsmith@ywcasew.org](mailto:jsmith@ywcasew.org) or 414-267-3285.
